

General Membership Meeting

Butler Middle School 8-29-2017

Minutes from the portion of Back-to-School Night at Butler Middle School that the PTSA was over. When asked the audience to raise their hands if they were current year members 60+ raised their hands. So when it came time to vote on the proposed budget those 60+ members were the ones voting.

Hilary conducted the PTSA portion.

Hilary thanked all those who were present and who had joined PTSA this year. Then discussed a few topics in generality:

- PTSA – S stands for Students. We encourage students to join and we do have a student committee that will meet once a month on a Friday at 8:30am. We are hoping to get their input and help throughout the year.
- Donations for Prizes for our GREAT store are always welcome.
- Business Partnerships, Zupa's is Sept 12th. Remember to invite friends, family and neighbors to these. We get a small portion back but is a simple way to support our budget.
- Spirit Wear – Sept 11th is when all orders are due. You can see sample sizes in the hall and place orders.
- Memory Book – purchase now in the office if you haven't already. Our price is \$25 but as of Oct 1st that will go up to \$30. All students will want one...

She then turned the time over to Lori for the Budget review.

Lori:

- 3 sections in our budget: Administration, Students and Teachers. Administration had the budget showing on the screen so all could view it. She quickly went over the three sections.
- Mentioned that the Memory Book is our only official Fundraiser – so please support this.
- We love donations. We get to keep 100% of those and put every dollar to good use
- Memberships can still be purchased in the hall after the meeting. Cost is \$7 per adult or student. If you would like to vote on anything then you need to be an official member. Please join.

Hilary then asked if there were any further questions or discussion about the Proposed Budget. The place was silent. She asked all current members to raise their hands. Lisa took a quick rough count of members with their hands up. Then she called for a vote to approve the budget as proposed. Hilary asked those in favor to please raise their hands. Then all opposed to raise their hands. NO ONE was opposed.

Hilary then confirmed that the vote to approve the proposed budget had passed.

Hilary thanked everyone again for their support, reminded them that they could pay for items in the hallway during the evening. Then she turned the time over to Ms Logan for the continuation of remainder of the evening.

Approved Minutes on 6 day of Sept, 2017 at the PTSA meeting.
