10. Halloween/Dress Up/Costumes

Questions regarding Halloween and dressing in costumes: During the school year we have various dress up days for various reasons. Please note that dress code is always an expectation; shoes are required; and masks are not allowed. As for Halloween, we have had students (and staff) dress up in the past. **On Wednesday, Oct. 31st, students can wear Halloween Costumes.** When working with your student to select a costume, please remember dress code will still be in effect. Here are some guidelines:

- **No masks or full face paint.** We need to be able to identify students even in costumes.
- Costumes that are provocative, revealing, sexual in nature or employ questionable props are not permitted.
- Costumes that depict violence, alcohol, or drugs are not permitted. Fake (or real) weapons are not allowed.
- Costumes that can be offensive or perpetuate a stereotype of someone's culture, gender, heritage or religion are not permitted.
- Costumes should not hinder your ability to participate in classes, including PE or hinder your

ability to move through the hallways in a safe manner.

And as always **the costumes or dressings up is optional**. Students wearing questionable costumes will be asked to modify their costumes to make them appropriate for school. If you have any questions regarding the appropriateness of your costume idea, we encourage you to speak with a teacher, counselor or administrator. Thank you for taking the time to help your student understand these guidelines.
